

**HOPE FOR JUSTICE**

**UK VERSION**

**TRAFFICKING ALERT**

**BE CAUTIOUS!**

Human traffickers are targeting Ukrainian people with false offers of help

These criminals tell lies because they want to exploit others.

Be suspicious if someone tries to take away your identity documents or other papers.

Ask for help from a police officer or a border guard or a charity worker.

If someone tries to pressure you to make a quick decision about an offer of transport or accommodation, take the time to ask for help.
