### This role serves the Albion, NY Hope for Justice Volunteer Chapter:

Would you like to take your passion for ending human trafficking and use it to bring about real and lasting change? If so, then becoming a Hope for Justice Volunteer Chapter Member could be the role for you. We're looking for dynamic, motivated leaders to commit to representing Hope for Justice in their local communities. You'll be our public face in your community; engaging local groups and businesses with our anti-trafficking work, raising vital awareness of the signs of human trafficking, and carrying out fundraising initiatives. We

need people who will commit to the role for six months to a year, which will also give you the opportunity to see the tangible impact you've created in your community over time. All your efforts will help us prevent exploitation, rescue people who are being trafficked, and restore lives. You will be a key player in bringing about the societal reform we must see in order to reach our ultimate goal; a world without human trafficking.
